Comply Announces Strategic Partnership with First Consulting to Enhance AI Insurance Compliance

Announcement

New exciting partnership

First Consulting

Kansas City, MO | Bangalore, India – [May 14, 2025] – Comply (www.TheComply.ai), a leading provider of AI-driven insurance compliance solutions, is pleased to announce a strategic partnership with First Consulting (www.FirstConsulting.com), a renowned expert in insurance regulatory compliance. Comply will leverage First Consulting's extensive industry experience to enhance its compliance platform, ensuring even greater accuracy, reliability, and regulatory alignment.

First Consulting has been a trusted name in compliance advisory since 1969, providing expertise to businesses navigating complex insurance regulatory landscapes. By integrating this deep well of knowledge into Comply's artificial intelligence platform, the partnership aims to set a new standard for AI-driven insurance compliance solutions, offering businesses an advanced, adaptive, and highly informed platform to manage regulatory requirements efficiently.

"Our collaboration with First Consulting marks a significant step forward in our mission to revolutionize compliance management through AI," said Sachin Kulkarni, Founder of Comply. "By integrating First Consulting's industry-leading compliance knowledge with

"We are excited to partner with Comply to bring our regulatory expertise into the world of AI-driven compliance solutions," said Sean Cox, President of First Consulting. "This collaboration demonstrates First Consulting's position as a thought leader in insurance compliance and allows us to provide our insurance clients with a powerful platform that ensures accuracy, efficiency, and adaptability in an ever-changing regulatory environment."

The collaboration between Comply and First Consulting reflects the growing demand from insurance carriers for integrated consulting and technology solutions for compliance. Carriers will benefit from more precise regulatory insights, reduced compliance risks, competitive intelligence and a seamlessly integrated AI solution that aligns with the latest industry standards.

We Like Compliance

The Insurance industry is built on trust and risk management. Compliance is not a regulatory requirement but the very backbone of the insurance sector, affecting not just the insurance companies but also the consumers.
